

DAMACO is a leading manufacturer and distributor of pharmaceutical products and medical supplies in México. The company was founded in 1917 by Daniel Martínez Corral in México City. DAMACO is 100% owned by Mexican partners and has been operated by family members since its founding. The company's name, DAMACO, corresponds to its founder's name: DANIEL MARTÍNEZ CORRAL.

Its founder noticed that small neighborhood pharmacies needed to stock non-drug products and have competitive prices. He started selling rubber products like hot water bags and bulb syringes for babies, and products made of glass like eye wash cups and breast pumps.

DAMACO is committed to providing its customers with high quality products and services for the pharmaceutical industry with competitive prices and the best service. Its misión is to work for a better and healthier México.

DAMACO's brands are DAMACO, BABYDAMACO and AVI. The company sells products for hospitals, clinics, and pharmacies, personal care and beauty products and a line of baby products. DAMACO's products include disposable face masks, plastic stool and urine containers, tongue depressors, first aid kits, glass and plastic medicine droppers, baby bottles and pacifiers, and hygiene products.

DAMACO also offers a variety of solutions for the pharmaceutical industry, including:

- Manufacturing of products and customer-specific solutions.
- Packaging and labeling solutions for combos, and special offer packages.
- Plastic injection.
- Public and private tenders, and contracts.

DAMACO's clients have been amongst the main pharmacy wholesalers and distributors in all of México, including Nadro, Casa Saba, Casa Marzam, Farmacias Benavides, Farmacias Farmatodo, Farmacias del Ahorro, Farmapronto, Farmacias San Isidro, Corporativo Racer.

DAMACO is expanding its product line and expanding into new markets in México and in foreign markets. The company is committed to maintaining its leadership position in the Mexican pharmaceutical industry.
